

Christopher Wilcock, MAA

Chief Assessor, City of Melrose

MAAO President Elect

Fellow Massachusetts Assessors,

I am honored for the opportunity to run for the position of President-Elect of the Massachusetts Association of Assessors. Over my career I have met many remarkable people from across the state who are MAAO members. I began my career working for the City of Salem in 2001 as the Assistant Assessor. Then, in 2005 I started working for the Town of Weston where I served as Assistant Assessor for 8 years. While living in Wakefield in 2011, I ran for the elected Board of Assessors, and served the Town of Wakefield for 5 years. My next challenge led me to the Town of Tewksbury in 2012 where I was hired as the Chief Assessor and was part of a whole new finance team. I am currently beginning my fifth year as the Chief Assessor for the City of Melrose. In addition to my work experience, I have been on the Executive Board and have served as President of the Middlesex County Association of Assessors. I am currently on the MAAO Executive Board, Chairman of the MAAO Technology Committee, and a new member of the MAAO Education Committee. This great organization has been responsible for so much of my success over the past 17 years, and I look forward to continuing our mission of professionalism through education.

Please vote for me for the office of President-Elect of the Massachusetts Association of Assessors. I look forward to the opportunity to serve you and our wonderful organization.

Thank you,

Chris Wilcock
