

Ashlie Felix, MAA

Assistant Assessor, City of Westfield

I would like to take this opportunity to ask for your support and vote for Executive Board member in the upcoming MAAO election. My name is Ashlie Felix and I am currently an Assistant Assessor in the city of Westfield. Being newly designated, in a New Year, means new adventures, like running for the Executive Board.

I have been with the Westfield Assessors office for almost seven years. I started as a Principal Clerk and quickly moving on to Head Clerk and now Assistant Assessor. While I enjoyed the clerical aspect of assessing I knew I wanted to do and learn more so I began to take classes to work on my designation. In Western Mass the courses

are hard to come by more than once a year so diligent effort was put in to complete the requirements for my designation.

Although I don't have an extensive background like many of my colleagues, I feel as though I have expanded my knowledge greatly over the past seven years and I am eager to learn more. I am aware of some of the unique needs and concerns of the western part of the state and hope to bring new ideas to the MAAO while trying to absorb as much knowledge as I can. I respectfully ask for your consideration and vote this year.

Thank You,

Ashlie Felix, MAA
Assistant Assessor
Westfield
