Dear Colleagues,

I am a candidate for the Massachusetts Association of Assessing Officers Executive Board and asking for your vote. I have been in the assessing profession for 24 years, and currently serve as Chief Appraiser for the Town of Milton. Prior to Milton, I was the Principal Assessor in the Town of Hopkinton for 15 years and started my career with the City of Newton.

I am grateful to have been mentored by some great assessors, and I'm fortunate to have mentored others along the way as well. If fortunate enough to be elected, I will work diligently with my fellow Board members to ensure the MAAO's continued success. I once again respectfully ask for your vote.
