

Melissa L. Couture Ribold, MAA

I would like to respectfully request your consideration and your vote for Executive Board Member in the upcoming 2017 election. I have been employed by the Assessor's Office in South Hadley since 1989 and have been the Associate Assessor in South Hadley since 1998. I have served on the Executive Board for the Hampden/Hampshire County Assessors Association and also served as the Secretary/Treasurer of the H/HCAA. I have had experience in dealing with the issues that Associations face serving their members. I am currently on the Education Committee of the Massachusetts Association of Assessing Officers and have gathered significant experience in the workings of the MAAO and its strong Education Program. I hope to broaden that experience and provide strong, dedicated service to all the members of the MAAO.
